

Yukon Territory, Northwest Territories, Nunavut

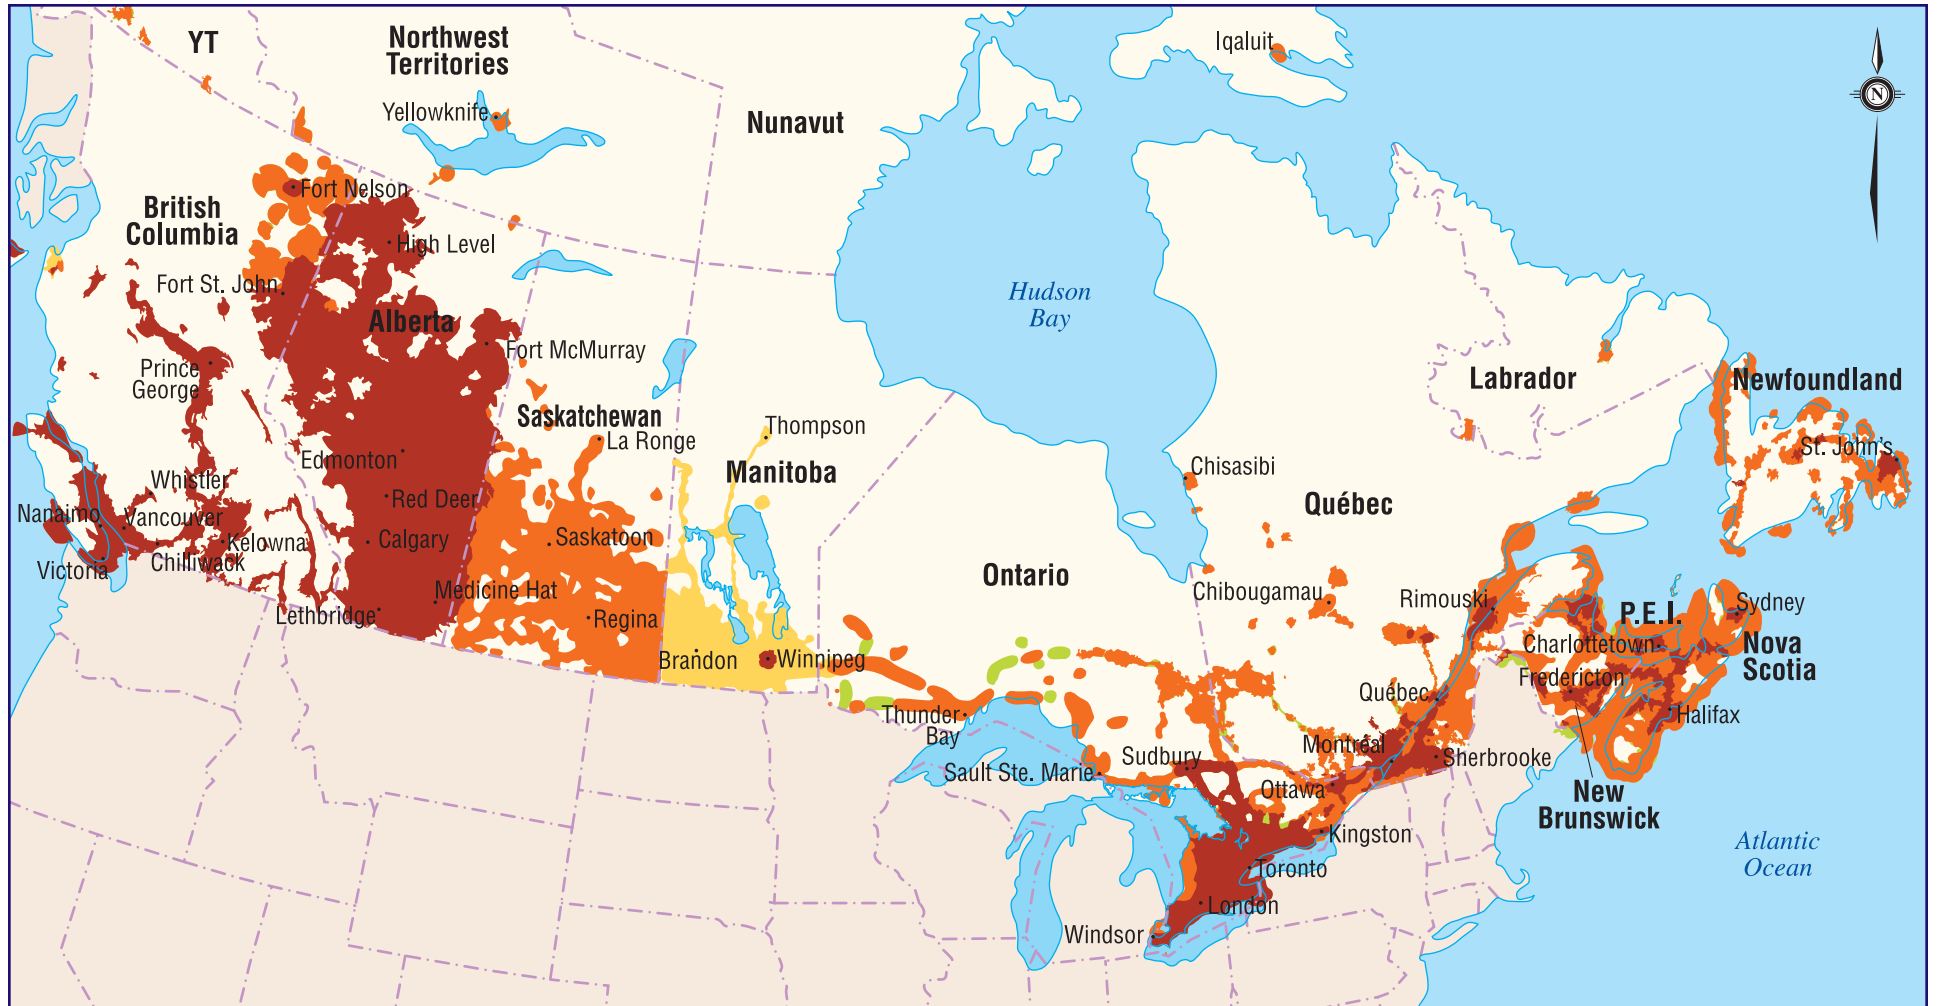

Note: Northern British Columbia and Alberta coverage not shown on this map. See respective provincial coverage maps.

- Wireless High Speed 3G coverage area
- PCS and 1X digital coverage areas
- PCS digital coverage area
- Analog coverage area
- Local phone numbers available

* Effective November 2008. Coverage areas are approximate. Actual coverage and network service may vary and are subject to change. Digital Wireless High Speed coverage depends on handset software and service type. Analog phones will work in all TELUS or roaming partner analog coverage areas. Tri-mode handsets are required for use in TELUS Wireless High Speed digital PCS coverage areas and in our analog coverage areas. Map does not indicate Pay & Talk service coverage. Visit us at telusmobility.com/coverage for our most recent coverage maps for all services, including Pay & Talk. D3831 © 2008 TELUS.
